# SÅ ER DER AFGANG!

Med et ægte Yoshimura udstødningssystem eller en slip-on får din MC højere topfart og ofte mere moment samtidig med, at du letter cyklen for et par kg. dødvægt. Selve udførelsen er japansk håndværkskunst i mesterklasse. Med en Yoshimura udstødning sætter du dit unikke aftryk på din MC. Du kan få Yoshimura's udstødningssystemer både til bane og til gade. **Hør mere hos din forhandler!**
